MEDICATIONS

If your child has a medical condition that requires him/her to take medication at school either daily or sporadically please contact the school to complete the school board documentation that must be signed by the parent and doctor. Board policy dictates that all medication needs to remain at the school in the first aid cabinet in the office..

STUDENT AGENDAS

Student agendas are available for students from JK—6. These are very beneficial for students, parents and teachers to facilitate regular communication between home and school. We are requesting \$5 per agenda to offset the cost of these items. Please read the front pages of the agenda with your child(ren) as they contain important information about our school.

A message from Parent Council:

Hey Everyone!!! Happy new school year!!

Looking forward to seeing everyone! Laura

Dear Parents,

Once again Champlain Discovery is pleased to be hosting its annual Terry Fox Walk on Friday, September 28th, rain or shine during last block. All monies raised through our event will be forwarded to The Terry Fox Foundation to further the cause of cancer research. Our walk will follow the same course as in previous years, on the intermediate school grounds. JK/SK students will walk at the bus loop. Teachers, parents and supervisors will be on hand to supervise and assist students along the way. Water will be provided for all participating students, but they need to bring a water bottle.

All students are encouraged to take part. We also invite you to participate by walking, jogging or by cheering for your children as they complete their laps.

We appreciate the involvement of the School Council and the parent community for our event. If you would like to volunteer and help out at the event, please contact us at 613-735-6575. Our goal this year is to earn at least \$4000. We are confident we can realize this goal with full participation of the school community. We hope to count on your support. Let's keep Terry's dream to find a cure for cancer alive.

LOST AND FOUND

Lost and Found items are collected throughout the month in a container near the front office. At the end of each month, the container is cleared out of any items that have not been claimed and the items are dropped off at Value Village.

PARENT PARKING

There is a designated parent area in the school parking lot to drop off or pick up your child. Please use this area and not the front loop as this is for our special transportation and emergency vehicles only. We need to ensure the safety of all of our students and unfortunately we have witnessed a large congestion of unauthorized vehicles using this area.

We have also been asked not to park on north side of Bell Street. Parking in front of the townhouses across the street is causing damage to the residents' front lawn.

SEPTEMBER 30 - ORANGE SHIRT DAY - EVERY CHILD MATTERS

We will be wearing orange on Friday, September 28 to honour residential school survivors.

MILK TICKETS

The cost of our cartons of milk have gone up this year to 65¢ each. Therefore books of 10 tickets will be \$6.50.

They can be purchased online or parents can buy them at the office.
